

“Gloria provided executive team coaching for the regional Vice-Presidents over a period of 7 months. The coaching focused on their functions as mentors of the Chapters plus interaction with each other. Gloria's manner is extremely pleasing. The sessions were always on track but not pressured. She kept the focus on our organizational goals and each executive's development for step-wise advancement. We are already seeing the results of Gloria's work. I wholeheartedly recommend her.”

- *Lona Lehr, Head of Projects & Development*
